Upon review of your DD Form 214 (military discharge document) and/or other authenticating documentation, you are **verified** by the Montana Veterans Affairs Division as having "veteran" status, as defined by federal statute and the enabling state law. If necessary, you may present this letter to Motor Vehicle Division staff upon application to have "VETERAN" included on your Montana driver's license. Further, your name has been input into the protected website which is used by the Motor Vehicle Division for "veteran" status verification purposes.

If Motor Vehicle Division personnel have any questions regarding this letter or your veteran status, please contact me at the provided telephone number or email address.
